Add a little color and watch your customer satisfaction soar!

**24% Higher Value**  
 An independent study conducted by Clemson University proves that product shipped in decorative tissue has a 24% higher perceived value, when compared to the same product & package containing traditional void fill.

**Ship the In Store Experience**  
 Decorative tissue brings the "in store" experience to the customers' door! Happy customers mean more re-orders, more likely to recommend, and less returns, based on the same study

E-Commerce tissue rolls can also be used with tissue crumpler devices.
