Chargeable Samples: The “Samples Each” icon indicates products that will incur a sample charge. Chargeable samples are treated like an order. They ship in 24 hours, require a PO and will incur freight. Use the Each column for price. The product code for a chargeable sample is the standard product code with an “X” inserted after the dash. (ie. CM-994BLA is a CASE and CM-X994BLA is a SAMPLE.)

Actual (Ship) Wt: The number to appear first is the actual or physical weight of one selling unit. The number shown in parenthesis is the dimensional weight of the product, or the shipping weight if shipped by itself. (ie. BX-53WK 8 (14) has a physical weight of 8 lbs however when shipped via UPS or Fed Ex, ground or air, the shipping weight is dimensional at 14 lbs.)

Identifies products manufactured in China subject to current U.S. tariffs. Pricing includes tariffs at time of publication 9/2019.
